

How to log in as a member on the website

Website URL

The URL for the Camera Guild of Sun City is: <http://cameraguildsuncity.com>

You must first Register?

To learn how to register, read the following document:

<http://cameraguildsuncity.com/images/documents/CGSC-Website%20registration.pdf>

Once you have registered, you may have to wait for verification, hopefully never more than 24 hours.

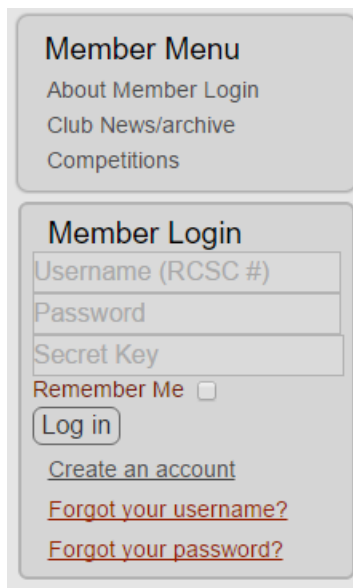

1. How and where to log in

Below the Member Menu, in the right column of most of the website pages, is the *Member Login* form. →

Enter your Username (which should be your RCSC#), and the password that you selected when registering.

You can ignore the Secret Key which is there for those who have administrative access to the website to use for additional site security.

If you have forgotten your password, there is a link in the Member Login form for you to reset your password. It will ask you for your email address and will then email you information to reset it. If you forgot, then ask for a reset, and then remember what it had been, you should follow through the steps for the requested reset; you can reset it using the remembered password.

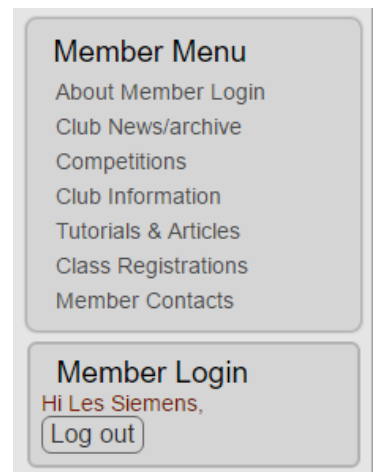

The screenshot shows two menu boxes. The top box is titled "Member Menu" and contains three items: "About Member Login", "Club News/archive", and "Competitions". The bottom box is titled "Member Login" and contains a form with the following fields: "Username (RCSC #)", "Password", and "Secret Key". Below the "Secret Key" field is a "Remember Me" checkbox. There is a "Log in" button, a "Create an account" link, and two links: "Forgot your username?" and "Forgot your password?".

2. Once you have logged in

When you have logged in, you will notice that the Member Menu will now have more selections, and the Member Login form welcomes you and presents a way to Log out.

These additional selections take you to information which is considered more private or a member benefit. You will also need to be logged in to register for a class online from the *Upcoming Events* menu or *Calendar*.

And finally, you will find a few other locations on the website where you will be instructed to login for additional information.

The screenshot shows two menu boxes. The top box is titled "Member Menu" and contains six items: "About Member Login", "Club News/archive", "Competitions", "Club Information", "Tutorials & Articles", and "Class Registrations". The bottom box is titled "Member Login" and contains a personalized greeting: "Hi Les Siemens," and a "Log out" button.

3. When finished, please log out

Again, return to either of the areas where login is possible, and select *Log out*.
